

Great things happen when people gather in beautiful places.

A stylish and sophisticated alternative to traditional hotels and conference centers, Le Chateau specializes in creating distinctive corporate events that engage, empower, and celebrate.

We believe that when ordinary people find themselves in an out-of-the-ordinary environment, extraordinary things can happen. When the setting inspires, the food delights, and the details are graciously handled, you and your team become free to succeed...or just enjoy.

We specialize in creating distinctive corporate events including:

Offsite Training & Workshops
Employee Recognition Dinners
Annual / Quarterly Meetings
Fundraising Events
Holiday Parties
Retirement Dinners
Awards Dinner
