

LE CHATEAU

# WEDDING PACKAGE

## WHERE HISTORY MEETS MODERN ROMANCE

Set on a secluded hillside overlooking the Hudson Valley, Le Château is a rare jewel where past and present come together — where you can host your celebration on a 25-acre Gilded Age estate with the sophistication, cuisine, and service of Manhattan.

Once the private country residence of J.P. Morgan, the estate blends vintage elegance with modern luxury. Wander through sun-lit gardens, stone terraces, grand staircases, and intimate mansion rooms. Exchange vows beneath the garden arbor. Toast at sunset. Dance beneath crystal chandeliers in a breathtaking ballroom.

Hosting only one wedding at a time, Le Château is entirely yours for the day — every space, every moment, every detail designed around your story.
